

Evangelisation Brisbane and Alpha Australia have formed a partnership to ensure that parishes running the Alpha Course are trained, supported and resourced through seminars, training and mentoring.

Facilitator

Lorraine McCarthy from Melbourne is the Alpha Coordinator in a Catholic Context and has conducted a number of training sessions and practical workshops in the Archdiocese over the past three years.

ALPHA MASTERCLASSES

for Parish Alpha Teams who have run Alpha in 2017

Alpha "Masterclass" sessions are an opportunity for Parish Alpha Teams to meet each other and to discuss how their Alphas are going, exchange ideas, share struggles and network. There will be opportunities to ask questions about all aspects of your Alpha.

Alpha will also introduce their new training website, the Alpha Youth Series and the promotional artwork and videos for 2018.

Gather your Alpha Team and come along for a great networking and sharing session to help you 'fine tune' your Alpha in 2018.

Comments by Alpha Participants

One of the wonderful aspects of Alpha is that it creates an environment where the difficult and big questions about life can be asked and total acceptance is assured.

I went (to an Alpha course) because I wanted to have a relationship with Jesus and I wanted that relationship to grow. I had drifted away from the church in the past but I have returned in search of that relationship. Alpha's taken it to another level and has helped me to experience this 'joy in my heart'.
