

ARCHDIOCESE OF BRISBANE

Youth Evangelisation Office

Youth Evangelisation Annual Report

2015

Executive Summary

This document aims to provide feedback about the various youth initiatives that operate in the Archdiocese of Brisbane.

The information contained in this report comes directly from the leaders of each youth initiative. The Youth Evangelisation Office requested that each initiative fill out a survey giving the general scope of their ministry and information pertinent to their initiative. This was a voluntary survey and the response rate from youth initiatives was approximately 50%. This is an increase from the 35% response rate in 2014.

This year's report covers 42 active youth ministry groups throughout the Archdiocese, including groups based around parishes, ethnic communities, university ministries, ecclesial movements and other groups.

Key statistics from report:

- 42 youth ministry groups
- Over 80 full and part time employees
- Over 1300 volunteers
- Over 65 regular events
- 91% of all events indicated that their attendance either increased or stayed the same

NB. Attendance is not the sole gauge of the success of an initiative but it can be a good indicator to look at when discussing the initiative as a whole.

For more information regarding this report please contact the youth evangelisation office at youthproject@bne.catholic.net.au.

Lifeteen Mass	5.30pm every Sunday	50 +	Weekly	Decreased
NET day	once a year	6 - 10	Annually	Decreased

Written report about the year:

In 2015 we continued to have the 5.30 Sunday Mass as a Lifeteen Mass. We held one NET day for children in grades 6,7,8,and 9. We also produce postcard-size picture prayer cards to give out at times that are important to young people e.g. QCS exam time and year 6 school leaving. We also maintain a facebook page. A group of musicians organised by Daniel Allen use Lifeteen resources to provide contemporary music and screen images for the 5.30 Sunday Mass. We find it difficult to do more as we do not have anyone, paid or unpaid, who has the requisite abilities and time to implement an on-going program of events. We also do not have a Parish hall so space for events has to be negotiated with the next door primary school.

Written report about the year:

Throughout 2015 Darra-Jindalee Life Teen provided a place for the young people in the parish to learn about what we as Catholics believe. It created the perfect environment for like minded youth to share their faith, to develop strong friendships and to really embrace the person they were created to be. Life Teen starts by sharing a meal together, includes prayer, activities, teaching and discussion. Over the course of the month we focus on two Catechesis nights, one Issues night and one social. This ensures that each night remains engaging and caters to all the youth who attend. Life Teen also provided an opportunity to develop Christian leadership skills and to deepen the faith of the 12 young adult Core Crew members. Faith formation played such an important role in the lives of the young adults that McBible Study was born. McBible Study is a young adult group that meets at the Richland's Maccas once a week to read through, deconstruct and discuss various chapters of the Bible, giving the young adults a spiritual anchor for their youth ministry.

Written report about the year:

With a decline in youth leader volunteers (around half) and youth attendees, 2015 proved to be a year to consider much change to secure the future of our youth. With little improvement by June 2015, the two volunteers (myself included) began reaching out to other youth events in order to find inspiration and mentoring possibilities to support our parish. Feedback from our participation in the annual Inter-parish Touch Tournament was overwhelmingly positive. It became apparent that the set day may be hindering our youth's ability to attend youth evenings and so a new day/angle was set to commence in 2016.

Written report about the year:

2015 was a very successful year for our youth ministry having held our first ever sleep out and raising much more than expected for a excellent cause (vinnies winter appeal). Our numbers were great for our big events but just saw a decrease in our weekly sessions in 2015 in which we have changed a few things this year to tackle this issue. Overall i am still extremely grateful to Our Faithful God for blessing me with peace in this very difficult role sometimes. Although i feel completely supported by the archdiocese office trying to drum up more support within my our parish is a little bit more challenging. I am blessed though to have an excellent Parish Priest and a small support crew who always assist.

After Glow	Every 4th Sunday of Calendar Month	11 - 25	Monthly	Increased

Written report about the year:

Whilst our numbers have increased at our monthly event After Glow, we have noticed there is a call for another youth group closer to church and low to no cost. Due to this call put forward by many students and parents, we are in the midst of considering beginning another youth group linked to the church. In 2015 we held many Youth Council meetings where we planned events such as After Glow and prepared for how we will develop and grow in 2016. As Carina Catholic Youth, the name we give our Youth Ministry at Our Lady of Graces Parish, is still fairly new, we have been working hard on the faith formation of our youth, making masses more engaging for youth, and providing a platform for youth to connect with God and one another. We hope to expand our ministries in 2016 with local School Pancakes, a second youth group and community service/volunteer opportunities.

Youth Group Meetings	Fortnightly	11 - 25	Fortnightly	Increased

Written report about the year:

During 2015, we have seen our youth bond more with each other, this has been especially pleasing as one of our goals has been to bring like minded youth together so they can share there experiences with each other as messages from other youth is often stronger than those from priests and adults. We engaged the NET team, whom also attended our Youth Group Camp "Walking on water like Jesus". This was awesomely successful, and to see our youth bond with the NET team and the stories that were shared was really positive. One of our coordinators has had to move on at the end of last year, but we are blessed to have one of the older Youth whom has turned 18 decide to come and assist as a coordinator, this is an excellent outcome as I believe this will help the Youth Group grow stronger over the coming years. I pray 2016 will be just as fruitful as 2015.

United Youth	every 2nd Friday night	11 - 25	Fortnightly	Stayed the same
Parish Youth Mass	Sunday 9am, 6pm		Fortnightly	Stayed the same

Written report about the year:

During 2015, our regular events - Parish Youth Masses and youth meetings - continued with around the same participation. However, the involvement of some of the young people behind the scenes increased. This was due partly to the inability to find people in the wider parish community to come on board to create a youth ministry team, although we do have a number of supportive parents who are willing to help out when needed. So there was a positive outcome from what seemed like a negative situation! St Patrick's Youth also participated in a number of projects that particularly lean towards charity, including Child Sponsorship, the 40hr Famine, Operation ChristmasChild, and making up packs for the

homeless in our local area. Some of our members also enjoyed events such as Ignite Live, Summer Camp and the Ignite Conference. We were very pleased to have the Freedom NET team and Real Talk come to minister to us during some of our regular youth meetings. They provided great input and the young people enjoyed the interaction - and probably the fact that it provided a change from the norm :) Music continued to play a large part in the lives of our members with our youth band and choir growing in numbers. One thing that stands out to me as the parish youth worker, is the way our young people interact with each other. We have quite a range of age groups involved, and they all get on so well. They are happy to share their time, talents, faith and fun with each other. St Patrick's Youth is looking forward to a great 2016, thanks to our wonderful young people!

Written report about the year:

The Hive came to life in 2015 with the formation of our youth and young adults and their needs/wants. We began with month youth events ranging from fun Mexican themed nights to delving into what actually happens in the Mass with Father Chukwudi answering our questions and celebrating Mass afterwards. We had many nights where we would gather, eat, play games, reflect and have small group and prayer. This year we really had a lot of trial and error and thanks be to God, we were always sharing food and Jesus with wonderful young people who kept coming back. Our Young adults were a little neglected this year but we were able to make various events like Ignite live, Archbishop Mark's living biblically in a secular world, and spirituality talks at restaurants sharing a meal and a drink.

For Advent last year we run a program called the Summit which is a small group reflection on the readings for the following Sunday. Each year on Good Friday the youth perform a drama for the Gospel which is always a truly moving experience. Written report about the year:

In 2015, Venire has definitely grown. Beginning in Surfers Parish, we have seen our numbers increase from an average of 20, to now a weekly average of 35 (once we had 47). We had our very first retreat in 2015, which was very successful, and will be an annual event. The young people who come range from all different backgrounds, and it's been incredible to see that 2 young girls from non Christians families have decided that they want to become Catholic. They will be Baptised and Confirmed at Easter this year. In 2016 Venire will now expand to 3 other Parishes. There is a new leadership program called 'Focus', that provides leadership training to leaders across the Deanery, which has also been really successful.

Our annual Youth and Vocation Expo drawn more people than previous years. The numbers of young adults joining YAM's activities has been increased and all the activities that YAM carried out in 2015 were successfully. Written report about the year:

We have 6 youth and 3 mentors on the core team. We meet each month to plan the activities and responsibilities distributed. The youth leaders have increasingly taking over responsibilities and that is encouraging. 2015 was a year we focussed on attracting the youth from our parish by having meetings mainly social based with sprinkling of faith formation. We found some success in that, the numbers were pretty steady averaging around 25 with youth coming and inviting their friends. This was encouraging and so this year the plan is to introduce some faith and life based topics. Pray that it will be blessed and fruitful.

Written report about the year:

In 2015 we have not seen much of a change in terms of youth attendance at our weekly Sunday Masses and other events. Regular youth and young adult attendance are normally around 15 people. We decided not to run a Youth Camp in 2015 due to the limited

organizing team and possible attendance. However there are plans for a mini Youth Camp to be organised by our younger youth leaders in 2016. We continue to run our weekly Bible Sharing sessions after Sunday Masses, mainly focusing on the day's scripture readings, sharing God's words and what messages God brings to each of our youth and young adult. Our sessions are normally followed by everyone going out for lunch together to enjoy the rest of our Sunday afternoons. Youth Masses were held three times this year, encouraging more youths to participate in liturgy and other responsibilities for the Community. At times we gather for some social activities, try to keep the bonding – as much is needed for younger generations these days.

Written report about the year:

In 2016, Encounter Youth will be focusing on the Year of Mercy and what it means to those aged between 12-17 years. We have completed our leadership weekend retreat, and have a calendar of events organised for the year ahead. The following will focus on the major events planned, however there will be other smaller activities that we will also be involved

in to offer support to the wider Latin American community in Brisbane. The year commenced with a BBQ to welcome current members of Encounter Youth and welcome new ones. Our first topic of the year focused on a 'Call to Sainthood' and looked at the various ways in which God calls each of us all personally to live a holy life to allow us to one day be saints in his glory. Throughout the year, guided by Fr Ignacio, we will be continue to undertake formation as a leadership team to ensure that all the teachings that we provide to Encounter Youth participants are theologically accurate. All topics discussed throughout the year will have an underlying theme of 'mercy'. In July 2016, Encounter Youth members will be attending a full day retreat at Oxley which will be facilitated by Fr Ray and we are in the midst of finalising the topics and discussions planned for the day, which as a leadership team we are very excited about! Another retreat will then be held over the course of a weekend during the Dec/Jan 2016 break - topics and talks are yet to be finalised. This year as a youth group initiative we are also undertaking a number of social justice projects which again will tie into the theme of 'mercy'. This will include visits to the elderly at nursing homes, participating in Clean Up Australia Day (ie care for nature), and hopefully delivering gifts to children during Christmas through a nominated charity. All in all, 2016 will no doubt be a busy but wonderful year for the youth in our community. Please pray for us!

Written report about the year:

Youth ministry can be seen as an important mission of the Church. As a member of the Sisters of St. Paul de Chartres in Brisbane Diocese I appreciate the good opportunities which allow me to participate in the variety of youth activities in the different levels of parish, diocese, and nation such as: - Vocation Exposition at St. Stephen Cathedral (2nd August 2015) - Ignite Conference 2015 (24-27 September 2015) - Australian Catholic Youth Festival in Adelaide 2015 (1-5 December 2015) - SPC Youth Camp at St. Paul Convent Boronia Heights (19-20 December 2015) We participated by setting up the stall, attending the Rally, Workshops, Group Sharings, Games, Live Music, and Spiritual Activities such as Holy Mass, Adoration, Walking the Rosary. Moreover, we organized the SPC Youth Camp for the youth in different parishes with activities, games, and spiritual inputs. They were enjoying the activities and have built friendship with one another. They appreciated the sharing of life experience and relationship with God in prayer. Hopefully with the grace of God we can help the youth to grow stronger in personality as well as spirituality.

About our ministry:

The aim of Campus Ministry at ACU is to provide pastoral support to students & staff by being available to journey with them, bring meaning to life on campus through joining together for daily Mass and other liturgical celebrations throughout the year, provide opportunities for building community through weekly connect groups and other less frequent events and to encourage outreach through supporting external ministries such as Salvos, St Vincent de Paul, Caritas Australia, etc. Within these four sections - support, meaning, community & outreach - our purpose is to bring about an awareness of the spiritual aspect to all human beings; providing opportunities for growth and development other than that of the intellect, whilst at university.

During this second half of 2015, there was much more awareness of Campus Ministry among students and staff on campus. We also saw a significant increase in daily Mass attendance and a slow increase in other events. Our National Student Retreat was a great success and following this, we took over 25 students to the Ignite Conference in September.

Written report about the year:

In 2015 the UQ Catholic Chaplaincy welcomed the UQ Freedom Launch team (team of 5 young missionaries) to work at the university. A new chaplain - Fr Dom started at the chaplaincy in mid April. The team focused on creating a sense of community and started many new ministry events, the majority of which were based off the model pioneered by Freedom at QUT. One of our most successful events was the two Market days at the

beginning of each semester, just over 300 students were surveyed on these days and we raised a lot of awareness of the chaplaincy and Catholics at UQ. One of our most fruitful events was faith studies where students met weekly in small groups of 3-6 and journeyed together in their faith using a series of books created by a Canadian university ministry. In the second semester, 43 students took part in faith studies. Another focus was connecting students with Catholic communities external to UQ, which involved taking students to events by Ignite Youth, Vocations Brisbane and the Verbum Dei community. An additional achievement was establishing a team of Student Leaders who assisted the Chaplaincy staff and volunteers in planning and running events.

2015 was a big year for Ignite Youth. We moved locations for one of our key events (Ignite Live), lost some key personnel along the way, and pulled together to keep running events like Ignite Launch at Movie World (approx #300 attendees) and Ignite Conference (#1300), with increased growth and attendance. Two Ignite 'Connect' groups continued throughout the year for high schoolers in Indooroopilly and East Brisbane, with a 3rd commencing in

2016 on the north side. One of our initiatives Ignite High LEAD - a ministry formation program for senior high schoolers - completed its second year and is our real 'sowing into the field' of more young leaders prepared for the future. Our Young Adult weekend in July remains an crucial mountain-top experience, particularly for those who serve in our ministry, which we refocused towards those in the younger 18-23 age range. Our branch in Perth successfully completed its first year and looks set to continue well. As a ministry we are continually growing, continually stretched, but also continually responding, and God provides the grace to keep doing so. Come Holy Spirit!

The Dating Wars

Primary contact person: KRISTEN ROE

Position: MANAGER

Contact email address: admin@realtalkaustralia.com

About our ministry:

“People often treat romantic relationships & sex like they are casual but the reality is that many people (and their faith) become casualties of the dating game” The Dating War aims to provide practical, “real life” input, for Catholic young adults, on the challenges of single life and dating – to encourage the virtue of Chastity and a focus on the call to holiness. Many young adults treat dating like it is casual but the reality is that many people are casualties of societies recreational attitude towards love and sex. The Dating War (TDW) seeks to dispel mistruths surrounding relationships and to support young Catholic singles and dating couples. The Dating War is run by REAL TALK AUSTRALIA but has a variety of guest presenters and styles of events. The Dating War evenings are run bi-monthly in Brisbane, Australia.

Written report about the year:

The only aspect to be added is the regular informal social gatherings that are generated from genuine friendships that spring up between the young men of Frassati. It provides an important part of support for the young men as living the Catholic faith in today's world is very much countercultural. It also provides an environment where a young man can pursue discernment of a vocation, whether to the priesthood or consecrated life or marriage.

A lot of our work involves in one-on-one spiritual accompaniment of people (including spiritual leaders in other Catholic communities/organisations and those people discerning their vocation). We also hold a weekly Skype School of the Word for interstate members of

our community where some, in turn, share this input in their own School of the Word. We also hold a monthly School of the Word at St Brigid's Catholic Parish, Nerang (this is mainly run by disciples of our Brisbane community). We also run retreats for parishes (including outside the Archdiocese of Brisbane) on request and hold workshops on relevant faith/ethics topics at parishes or at our spirituality centre (i.e. at Bardon House). One member of our community is involved in Chaplaincy work at Queensland University of Technology where a School of the Word also takes place weekly during the class semesters.

Written report about the year:

The Young Carmelite Group meets with a small group of Carmelite Sisters every couple of months to share on a topic which has been prepared beforehand and the text is forwarded to the group in the days leading up to the meeting. During 2015 we systematically worked through the first 5 Dwelling Places of St. Teresa's 'Interior Castle' as it was the 5th centenary of her birth. During this session we also include a relevant Scripture passage and spend some time praying together with this text, using the ancient method of 'Lectio Divina' - reading, meditation, prayer, contemplation. There is a break during the afternoon for a coffee break and informal sharing. At the end of the afternoon the group join in praying Evening Prayer with the Carmelite community.

The depth of community relationships growing through the weekly Christian Meditation groups reflects the fullness of the work of The Younger Christian Meditators. Sharing prayerful silence connects and brings people together. The faithfulness to the weekly group allows this growth - in the case of one group has resulted in two marriages. A lot of joy and personal growth has been born from the initiative of the Younger Christian Meditators.
