

Seasons for Growth

Understanding change, loss & grief

The *Seasons for Growth* program is dedicated to the spirit of St Mary MacKillop, a woman for all Australians who believed in the dignity of every human and lived by the adage: *"Never see a need without trying to do something about it."*

As a response to the Year of Mercy we have trained facilitators now available to facilitate small groups of adults who wish to explore grief and loss in their lives in order to grow as human persons.

Please contact us if you are interested in running this program in your parish or community.
