WELCOMED ME"**

Matthew 25: 35

Does your parish or faith community want to:

- Make a practical response to the ongoing refugee crisis?
- Gain a deeper understanding of love of neighbour?
- Provide support and welcome to people in need?
- Foster connectedness, unity and community life within your parish?

This initiative is responding to the ongoing needs of refugees in crisis. We do this by assisting people who are fleeing violence and persecution to find a home in our communities.

WELCOME

those who have been granted humanitarian visas but are currently outside of Australia

The Archdiocese of Brisbane is partnering with Community Refugee Sponsorship Australia (CRSA), a national organisation that coordinates community-led humanitarian settlement sponsorship. One way they do this is by facilitating the Community Refugee Integration and Settlement Pilot (CRISP). The commitment is:

- A term of 12 months
- Fundraise from \$7000 to \$21000 (will vary depending on size of the refugee household and the fundraising capacity of the parish)
- Hands on support to a refugee household from date of arrival in Australia

ARE YOU READY TO HELP?

OTHERS MEANS
WELCOMING GOD
IN PERSON."**
